

Technical specifications- EU 1001	Club	Plati- num		Club	Plat nun
General Dimensions of the bodywork			Crew's equipment:		
Total length: 12.20			High-end pneumatic driver seat with headrest.	0	
Maximum width: 2.55 m			Retractable crew's seat.	0	
Body height: 3.55 m (+ A.C.)			Platinum ergonomic dashboard.	0	
Structure:			Three point seatbelt in both seats.		
Crash structure resistant to the combined impact of roll over and speed.			Double glazed driver's window.		
Front part reinforced against front crash.			Electrical rolling sunshade on windscreen.	0	
Anticorrosion protection in the whole bodywork.			Compartment in luggage rack for driver and crew.		
Spare wheel support easy to operate.			35 litres capacity fridge.	0	
Bodywork:			Waste bin.	0	
Double glass double grey tinted and curved.			Pneumatic horn.		
Thermal and acoustic insulation.			First-aid kit.		
Polyurethane exterior paint (not metallic paint).			Two fire extinguishers.		
Folding front and rear for easy working and repairing.			Passengers equipment:		
Platinum Front with retractable system for main lights hiding.	0		Platinum high-end seats.	0	
Two electric service doors with remote control.			Two points seat belts.		
Pneumatic luggage compartment doors.			Comfort headrest set.		
Centralized locking system, including fuel flap.	0		Step's carpet.		C
Tip-up wheel housing.		•	Air Conditioning system:		
Last generation of windscreen wiper.			Air Conditioning system:		
Electric and heated rear-view double mirrors.			Climate control system with air conditioning, heating, and air renewal.	0	
Third rear-view mirror.	0		Hot/ cold defroster digitally controled for driver.	0	
Electric and lighting devices:			Individual and general air diffusers.		
Rear view cam.			Heating system by convectors system.		
LED lighting in sidelights, clearance lights and beacon lights.			Options		1
LED rear indicators.		•	Bi-xenon head lights.	0	0
LED Daytime Running Lights (DRL) according EC regulations.	0		Cornering lights.	0	0
Halogen lamp over driver's seat, crew and stairs hole.			Luggage rack doors.	0	0
LED enhanced third break light.			Seat integrated driver's microphone.	0	0
Two intensity LED enhanced indirect lighting.			High-end sound system.	0	0
Illuminated Multiset with LED reading light and double bell.	0		GPS Navigation system.	0	С
Dim lighting in Multiset.	0		Volumetric alarm.	0	С
Led on stairs.	0		WC cabin.	0	С
Adjustable LED lamp for guide seat.	0		Driver's bunk with heating system and ventilation.	0	С
Digital clock.	0		Programmable pre-heater.	0	С
LED lighting on luggage compartment.			Metallic paint.	0	С
Lighting on engine compartment.			Line lighted sign.	0	С
mage and Sound:			Elevation platform for wheelchair in emergency door.	0	С
Radio CD		٠	Elevation platform for wheelchair in central door.	0	С
DVD player.	0		Additional fastening systems for wheel chairs.	0	С
Front TFT LCD 22" flat screen.	0		Coffee machine furniture.	0	0
Rear TFT LCD 17" flat screen.	0		V.I.P. tables.	0	0
Microphone for quide.	0		Gangway Carpet.	0	0
